Re: Supreme Court No. 79272-1 - Save Columbia CU Committee et al. v. Columbia Community Credit Union et al.
Court of Appeals No. 32858-5-II

Clerk and Counsel:

We are in now in receipt of the motion for extension of time to file a petition for review in the above referenced matter.

The motion for extension to file petition for review and untimely petition for review have been set for consideration without oral argument by a Department of the Court on the Court's December 5, 2006, Motion Calendar. If the members of the Department do not unanimously agree on the manner of the disposition, consideration of the matter will be continued for determination by the En Banc Court.

Counsel for Respondent should serve and file any answer to the motion and file any answer to the petition for review by not later than November 17, 2006. If the Respondent wishes, a combined answer may be served and filed. If the Respondent wants to raise an issue which is not raised in the petition for review, the Respondent must raise the new issue in the answer.

Should the Court grant the motion for an extension of time to file the Petition for Review, the Court will consider the Petition for Review on the merits.

Sincerely,

A handwritten signature in black ink, appearing to read "Ronald R. Carpenter".
