Re: Save Columbia CU v. Columbia CU
Thurston County Superior Court case no. 06-2-01688-0

Your Honor:

At the hearing today for entry of an Order granting the summary judgment dismissing defendant Dept. of Financial Institutions, I indicated that the parties were anxious to receive your ruling on the summary judgment motion by the other defendant, Columbia Community Credit Union. I reminded you that, as you had directed at the April 6, 2006, hearing, both parties had submitted one-page statements. You indicated you had lost track of that matter, but that you would issue a ruling (I thought you said) by next week.

In case the working papers submitted by the parties after that hearing have become lost, I enclose copies of my letter to you of April 13, 2007, with its enclosures, and opposing counsel Heather Cavanaugh's letter to you of April 20, 2007, with its enclosures. Thank you.

Very truly yours,

Douglas A. Schafer
